Draft Recovery Strategy for Henslow's Sparrow (*Ammodramus henslowii*)  
(June 2006)  
by the Ontario Ministry of Natural Resources  
on behalf of the Province of Ontario**

This draft Recovery Strategy for Henslow's Sparrow has been prepared by the Canadian Wildlife Service – Ontario Region in cooperation with the members of the Henslow's Sparrow Recovery Team, and the Ontario Ministry of Natural Resources (OMNR). It represents advice to the OMNR on the recovery goals, approaches and objectives that are recommended to protect and recover the species. It does not necessarily represent the views of all individual members of the recovery team, or the official positions of the organizations with which the individual committee members are associated. The goals, objectives and recovery approaches identified in the strategy are based on the best existing knowledge and are subject to modifications resulting from new findings and revised objectives. Implementation of the plan is subject to appropriations, priorities, and budgetary constraints of the participating jurisdictions and organizations
